CONFIDENCE BEGETS ENTHUSIASM  
ENTHUSIASM CONQUERS THE WORLD

"Start something worth while if you would progress,"  
is the advice frequently given to young men.

There is nothing a young man or woman can start  
that will contribute more to their progress and hap-  
piness than a Bank Account.

Money in the bank begets confidence, and a captain of  
industry has said "confidence begets enthusiasm and  
enthusiasm conquers the world."

### EDUCATIONAL NOTES

By G. D. McNEILL, Co. Supt.

In reply to a letter inquiring rela-  
to holidays, the following was re-  
ceived from State Superintendent.

1. If school is dismissed Friday,  
Dec. 22, and is not in session the fol-  
lowing week, can December 25,  
Christmas Day, be counted as a holi-  
day for which teachers receive pay?

Answer, No.  
2. If school is in session, Tuesday,  
Dec. 26 is Monday, December 25 a  
holiday for which teachers receive  
pay? Answer, Yes.

3. Is January 1 a school holiday  
for which teachers receive pay?  
Answer, No.

4. May school be taught on Jan 1?  
Answer, No. The day must be  
made up.

5. Were Election and Thanks-  
giving day holidays for which teach-  
ers receive pay?  
Answer, Yes.

The three District Institutes held  
December 4, 5 and 6 at Marlinton,  
Hillsboro and Cass were record break-  
ers, nearly ninety per cent of the  
county teachers having been in at-  
tendance. State Supervisor Mul-  
don had charge of the meetings at  
Marlinton and Cass, while Miss Betty  
Echart was the leader at Hillsboro.

Two very definite pieces of work were  
emphasized in these institutes. First  
the Hot Lunch is to become the rule  
rather than the exception in Poca-  
hontas county schools. Second, Dis-  
trict public School Days are to be  
held in at least three districts. Con-  
tests will be held in spelling, pen-  
manship, numbers, etc. There will  
be a variety of athletic competitions  
and school stunts in which every  
child may take a part. Each school  
in the county will be expected to do  
something in the way of "getting in"  
on the Public School Day of their  
District.

To date, Hot Lunch has become a  
permanent fixture in the following  
schools:  
Hillsboro High and Graded—W.  
Vance, teacher.

Maple Grove—Mrs. R. F. Reager,  
teacher.

Buckeye Graded—Clara Palmer  
and Carrie Brown, teachers.

Minnehaha Springs—Mamie White  
and Margaret Sharp, teachers.

Douthards Creek—Ethel Correll;  
Moore School—Enid Harper.

Buzzard School, Bessie Shinnaberry.  
If other schools are serving hot  
lunches the teachers should notify  
the county superintendent so he may  
amend the above list. Forty lunches  
served entitles to coupon of credit.

### WOODROW

Summers Sharp, who has typhoid  
fever, is getting along nicely at this  
time.

Our schools are doing nicely—one  
is being taught by Mrs. Lockridge  
of Minnehaha Springs, who has an en-  
rollment of about 25. The other is  
taught by Miss Brownie Wise of  
Bridgewater, Va., who has an enroll-  
ment of about 35. Both parents and  
children are well pleased and like  
the teachers very much.

Mrs. Sallie Burns, of Virginia, is  
spending the winter here with her  
brother, J. N. White.

W. E. Baxter has been suffering  
for some time with a crippled hand,  
caused by a piece of lumber striking  
it, but is getting better now.

John Galford has started his saw  
mill here and will soon complete the  
job where he has been sawing on  
Stony Creek.

Pat Gay of Marlinton, was here on  
business a few days ago.

W. E. Wood is home from the lum-  
ber woods on big Beech.

Miss Mattie Burgess, of Millpoint,  
is spending a few days here.

Miss May Hamrick has gone to  
stay with Mrs. S. B. Moore at Edray.

## NEWS CULLINGS

FROM  
WEST VIRGINIA

Adamston—Two frame buildings  
were destroyed by fire entailing loss  
of more than \$15,000.

Huntington—Cigars and cigarettes  
valued at \$15 were sent to the govern-  
ment hospital by the local order of  
the American veterans of the world  
war.

Parkersburg—Four boys were ar-  
raigned in Circuit Court here on the  
charge of becoming noisy and throw-  
ing paper wads in the Summit M. E.  
church. After an all-day trial the  
jury dismissed them.

Clarksburg—The Baltimore & Ohio  
Railroad has virtually assured the  
northern West Virginia region a 35  
per cent supply of cars provided the  
coal producers ship to the lakes. It was  
stated in a meeting of the Clarks-  
burg coal club.

Clarksburg—Arrested nearly a year  
after the alleged unlawful killing of  
a deer in Pocahontas county, Nate  
Alderson, of Marlinton, confessed and  
was fined \$50 and costs before Magis-  
trate J. B. Smith, according to H. H.  
Cleaves, secretary of the State wild  
life league.

Huntington—An X-ray examination  
disclosed that Don Chafin, sheriff of  
Logan county, now in a hospital here,  
is suffering from a bullet lodged in  
his right knee. His condition is not  
critical. Chafin was wounded when  
a pistol in his own hand was acci-  
dentally discharged, according to hospi-  
tal attaches.

Lewisburg—Samuel C. Beard, teach-  
ing his Sunday School class, leaned  
back against the railing in the church  
balcony, and was pitched to the floor  
below. John Hogan, cadet at Green-  
brier military school here, made an ef-  
fort to save Beard from the fall and  
he too fell to the floor, breaking an  
arm. Beard was not seriously in-  
jured.

Wheeling—Guy Morris, who went  
on trial here in criminal court charged  
with violating the blue sky law, chang-  
ed his plea to guilty and was sentenced  
to five years in the state prison by  
Judge Robinson. He was accused of  
selling stock in the Tulsa Interstate  
Petroleum Company, the former presi-  
dent of which, W. O. Allison, of Tulsa,  
Okla., is now under indictment in  
Ohio county criminal court.

Charles Town—Circuit Judge J. M.  
Woods overruled the motion of the  
defense for new trials in the case of  
the Rev. J. E. Wilburn, his son John  
Wilburn, and Walter Allen, all convict-  
ed in connection with the armed march  
on the southern West Virginia coal  
fields. The Wilburns were sentenced  
to serve 11 years each in the state peni-  
tentiary. The sentence of 10 years  
in the Allen case, fixed by the jury,  
was approved by the court.

Clarksburg—After being idle for  
nearly two years the local plant of  
the National Carbon Company will re-  
sume operations soon after the first  
of the year. This was the announce-  
ment made by C. E. Margerson, gen-  
eral manager. The plant, when it  
first starts, will provide employment  
for approximately 100 men. When  
operating full capacity the plant pro-  
vides work for between 200 and 250  
persons, including office force and all  
and has a weekly pay roll running  
around \$9,000.

Wheeling—Judge W. E. Baker  
granted a writ of habeas corpus in the  
case of Charles Long, of Tucker coun-  
ty, sentenced to six months in jail for  
carrying concealed weapons. Charles  
D. Smith, prosecuting attorney of  
Tucker county, appeared for Long in  
the United States District Court here  
and Judge Baker ruled that since the  
defendant was a forest ranger, he was  
entitled to carry the gun for his own  
protection as well as for the protec-  
tion of the government. Long was or-  
dered released.

Fairmont—John Mahon, giving his  
home as Brooklyn, N. Y., approached  
Policeman Fleming and asked that  
the officer accompany him. Mahon  
led Fleming up Cleveland avenue  
where he pointed out a large win-  
dow in a wholesale house that had  
been shattered by a huge stone. The  
man then calmly informed the officer  
that he had thrown the stone, ex-  
plaining that he had done it to keep  
some men who were chasing him from  
catching him. He was unable to ex-  
plain in police court how the rock-  
throwing would have helped him es-  
cape and was sentenced to jail for ob-  
servation of his sanity.

Martinsburg—George H. Coffin-  
barger, 72, totally deaf, was killed  
when struck by a freight train.
